

Be A Wildlife Friendly Dog Owner

Here Is How YOU Can Help:

- No dogs are allowed on Charlotte County Park and Florida State Park beaches. Dogs must be on a leash in all other authorized locations AND you must pick up waste.
- Leave dogs at home when you go to the beach. IF must bring, Be Wildlife Friendly!

- Keep out of posted wildlife nesting areas. Dogs are perceived as a threat.
- Keep your dog as far away from wildlife as possible. Do not allow dogs to flush birds or dig holes which could damage turtle nest or trap hatchlings.
- Avoid walking your dog on the beach at night during nesting season.
- REPORT IT if you see dogs disturbing wildlife.
