

Do You Need to Change Your Fixtures and Bulbs?

Sea turtle nesting is here from May 1–Oct. 31. All exterior light fixtures and bulbs that are directly/indirectly visible from the beach must be **SEA TURTLE APPROVED**.

Keep It Shielded

Downward-direct fixtures with shielded light source

Keep It Low

Mount fixtures low and use the lowest bulb wattage/ lumens necessary

Keep It Long

Bulbs must be amber, orange, or red which produce wavelengths of 560 nm or greater
